CAMERON GAUDIAN
(507)-910-9200 | cameron.lambert@mnsu.edu | www.gaudian.dev | Mankato, MN

EDUCATION

- **Minnesota State University, Mankato** *Expected graduation: May 2027*
  Bachelor of Science in Computer Science | Minor in Mathematics | GPA: 3.71

RELEVANT EXPERIENCE

- **Maverick Software Consulting** *Apr 2026 – May 2027*
  Incoming Software Engineer Intern

PROJECTS

Student Flow Visualization Tool *Jan 2026 – May 2026*

- Designed an Azure SQL database for student enrollment, transfer, and graduation flow analysis.
- Built data pipelines to clean and organize multi-source student records into queryable datasets.
- Modeled student pathways through and beyond MNSU using transfer, progression, and outcome data.
- Developed a Sankey visualization framework to help administrators analyze student flow patterns.

Creative Formulation Concepts (CFC) – AI Support Chatbot *Aug 2025 – Dec 2025*

- Developed and maintained documentation for an AI-powered chatbot, improving accessibility to 150+ training resources.
- Authored clear technical guides and version notes to support consistent development, deployment, and client communication.
- Tested and debugged application builds, coordinating with integration and QA to ensure reliable end-to-end performance.
- Supported backend and API functionality, verifying data flow between the chatbot interface and AI retrieval systems.

EMPLOYMENT

Warehouse Associate *Aug 2025 – Mar 2026*
Aldi, Inc.

- Operate heavy machinery and voice-directed picking system to efficiently fulfill store orders and build pallets.
- Assemble, wrap, and transport pallets to designated load zones while maintaining accuracy and safety.
- Lift and maneuver items weighing up to 80 pounds, ensuring product integrity and adherence to warehouse standards.

Community Advisor *Aug 2024 – May 2025*
Minnesota State University, Mankato

- Supported and mentored residents to foster a safe, inclusive, and positive living environment.
- Enforced community policies while resolving conflicts with fairness and professionalism.
- Planned and led programs promoting personal development, diversity, and wellness.
- Collaborated with campus departments to connect residents with academic and wellness resources.

VOLUNTEER AND PARTICIPATION

Volunteer Property Management Assistant *Sep 2025 – Apr 2026*
Premier Housing Management (Operated by Salvation Army)

- Supported upkeep and preparation of affordable housing units serving individuals and families in need.
- Assisted with cleaning, organizing, and moving items to help create safe, welcoming living spaces.
- Contributed to the mission of providing stable housing by offering hands-on support wherever needed.
